## SEASON 2020-21 RACE 4 RESULTS

## HISTORIC 18's RACE RESULTS

The weather forecast was for unsettled conditions with rain showers.

Six skiffs were on hand for the day's racing, with a variation in rig selection. A passing thunderstorm around 1 pm accompanied by fresh gusty conditions was cause for some to re-think their rig options.

The Mistake carried full size no.2 rig, Britannia had a reef in the no.2 mainsail, Aberdare had a reef in a borrowed big mainsail off Top Weight, and Australia IV had a no.1 mainsail with no.2 jib.

Unfortunately, only 4 skiffs finished with Australia IV skippered by Terry Stewart having a swim off Bradley's Head, and Scot retiring before the start due to rig issues.

The results were:

1. The Mistake - John Winning, 2. Aberdare - Jerry Tickner, 3. Britannia - Ian Smith, 4. Tangalooma - John Lewis, DNF. Australia IV - Terry Stewart

With thanks to our on-water support team of Bentley, Bob, Peter, Barley, Su, Russell, Chuck and Bill; along with COVID Marshalls David and Nicki.

## THE 12 FOOT SKIFFS

Despite the wild weather on Sunday, the 12s were able to get one race in before abandoning the second race.

Four skiffs took on the conditions and the results were:

1st Sail Inc

2nd Geotherm

3rd Shu Styx

4th Stiff

DNS Red Energy

Big thanks to Race officers Bill, Chuck and Wolfie for being out there in some terrible weather!
