

SYDNEY FLYING SQUADRON LTD

COVID-19 UPDATE

As of 1st January 2021 all hospitality venues are required to use the NSW Government QR code to sign-in.

We have anticipated this and have activated the Service NSW QR code at the Club.

All check-ins for the Club, Foys Kirribilli and Flying Bear Café will now need to be through Service NSW app.

What will happen when you COVID Safe check-in using Service NSW QR code and app

When you arrive at the Club, scan the QR code with your phone camera.
If you have the Service NSW app already installed, you will be taken to the check-in.
Simply complete and confirm your details.

If you do not have the Service NSW app already installed you will be offered 2 options:
Download the Service NSW app, create an account and check in,
OR check in using the online form.

In either instance a confirmation will appear on your screen when you've successfully checked in and a staff member will check the successful sign in on your phone.

You do not need to have the Service NSW app in order to check-in,
however it is highly recommended.

COVID-19 is still circulating in the community, so we all need to play our part in helping to stop the spread.

If you are unwell, **stay home and get tested** immediately.
Don't return to the Club until you get a negative test result.

Remember to practice physical distancing, good hand hygiene and

wear a mask when indoors.

The primary consideration for the Club continues to be the safety of patrons, members and staff, along with the health and welfare of the people of NSW.
