THE 185th AUSTRALIA DAY REGATTA HISTORIC 18s RACE RESULTS

The race for 3rd place - Tangalooma, Scot and Aberdare battle it out.

It was a great day out on the harbour for the 185th Australia Day regatta. Everyone

went for their small rig +/- reefs in preparation for the big nor'easter that was forecast, however it was late arriving coming in well after the 18s had finished. The Squaddie was well represented with 6 entries, and 5 competing on the day. Australia IV led the race and was fastest around the course. Britannia was second over the line, and overall winner based on handicap adjustments. The battle for 3rd place was something to watch with Scot and Aberdare closing in on Tangalooma on the final leg.
