

SYDNEY FLYING SQUADRON LTD

FINAL RACE REPORT FOR THE 2020-21 SEASON - RACE 22

What a club - out of 22 race days for the season, only one race was abandoned due to inclement weather.

And all that during a global pandemic.

That's the spirit that has kept the Sydney Flying Squadron alive and running for the last 130 years.

Bring on the next 130!!

HISTORIC 18's RACE RESULTS

Race 22 of the 2020-21 Season and Race 6 of the Autumn Point Score.
Ideal conditions with seven skiffs on hand to compete in the final race of the season. All skiffs had full crews and all rigged with their no.1 big sails for the expected light wind conditions.

The race got underway after a short delay from a handicap start in Athol Bight

on the no.5 West course into a patchy W/NW breeze of around 5 kts, at low-water and the start of a run-in tide. The five limit (15 min) skiffs Aberdare, Britannia, Scot, Tangalooma and Top Weight got away to a well contested mini scratch start with Top Weight best away followed by Britannia, Aberdare, Scot and Tangalooma. Next skiff away was Australia IV (6 min) and then Yendys off scratch. Australia IV took the lead early in the race and went on to record a comfortable win from Yendys, Top Weight, Scot and Britannia,

Australia IV wrapped-up the Season Point Score, the Ringtail Point Score and the Fastest Times Point Score.

WELL DONE TO TERRY STEWART AND HIS CREW!!

Yendys secured the Autumn Point Score, 2nd in the Ringtail Point Score and equal 2nd with The Mistake in the Fastest Times Point Score – well done Team Yendys and all the boats and crews that made the racing season possible.

Results for Sat 27th March 2021.
