

SYDNEY FLYING SQUADRON LTD

COVID-19 UPDATE FROM YOUR COMMODORE!

Hi everyone,

A number of restrictions have just been announced

after NSW recorded two new, locally acquired, Covid-19 infections overnight.

This means that from
5pm TODAY until midnight on MONDAY 10 MAY

- No more than 20 people are allowed inside a home.
- No singing or dancing in indoor venues, including places of worship and entertainment venues – the exception is weddings.
- No drinking while standing up at indoor venues.
- Masks will be compulsory on public transport and in all public indoor venues, including retail, theatre, hospitals, aged care and front-of-house for hospitality staff (masks not needed when eating or drinking).
- Only two visitors allowed in aged care facilities.

As your local community club, the Squaddie remains committed to the health and safety of all our members, guests and staff. We wish to reassure members and guests that our COVID-19 safety plan is firmly in place and our 2020/21 Presentation Night will still go ahead on Saturday 8th May, albeit under these restrictions.

For all patrons at the Squaddie over the coming days, we ask that everyone remains seated when indoors and maintains social distancing at all times. Our staff will be wearing masks, and you'll need to wear yours too (except while eating or drinking).

Thanks to our already-in-place social distancing floor plan, all tables will continue to be distanced and QR check-in via the Service NSW app remains mandatory.

We also ask that guests attending Saturday's Presentation Night adhere to the restrictions.

Obviously, there will be no singing or dancing this weekend and we respectfully request our Presentation Night guests to join their allocated tables on arrival, rather than standing to drink. Staff will be available to assist with check-in and table allocations.

From all of us at the Squaddie, we would like to thank you all for your patience and understanding as we navigate this latest interruption. Normal service will be resumed as soon as possible.

Look forward to seeing you at The Squaddie!

Sail on!
