Sailing Update

The Sydney Flying Squadron sailing season kicks off tomorrow!

It will be good to see our magnificent historic 18-footers on the harbour in all their glory once again.

NSW Health has provided directive that we are required to ensure sailing members aged 16 and over are double vaccinated. Proof of vaccination will be required for all guests upon check-in as well as a QR Code check-in.

If you are planning on sailing, make sure you have a valid sailing membership.

The Sydney Flying Squadron Wharf Area

We wish to advise that the Wharf Area is currently closed whilst undergoing extensive maintenance repair works. We are expecting the works to be carried out in the coming months to be completed for summer. Meanwhile, the Flying Bear Café will be operating from the Boatshed in the interim. The Club bar and Foys restaurant remain open for our Members and guests. We regret any inconvenience caused whilst the works are being carried out and look forward to your company on the new wharf
